

## **New Health Check Process**

AFC will be using JOBSITE to conduct student health checks beginning December 7th. We have been successfully using this for our employees and are now expanding this to ALL students attending our centers.

### **Why the Change?**

This will expedite the student check in process in the morning. Parent's dropping their children off will continue to use Brightwheel to check their children in, but the health survey will be removed, simplifying the process.

**NOTE: All children will continue to have their temperature's checked daily by our staff before entering the building and periodically throughout the day.**

### **The Process**

ALL parents of children attending school in-person MUST complete a weekly health check. Health checks are not necessary for remote learners. Every Monday morning, or at the beginning of each week (e.g. on Tuesday if school is closed Monday) a separate health check must be completed for **each** child BEFORE the child enters the building.

### **How to do it**

#### **Using a smart phone or other device:**

Aim Camera at the attached QR Code  
Click on Web-Page link – it will bring you to JobSiteCheck Link  
Complete your child's health check

**NOTE: Keep the QR Code readily accessible. You will be using it every Monday.**

#### **If using a computer:**

Open internet browser (Internet Explorer, Google, Google Chrome, etc.)  
Type <https://go-job.io/kdn> into the browser search engine, click enter  
You will be taken to the JobSiteCheck page  
Complete your child's health check

**NOTE: Bookmark or save to Favorites making it readily accessible each week.**

If you do not have access to a smart phone/computer or internet, please notify your child's teacher. We will provide you with paper copies to complete each week. Send the completed form into school with your child every Monday.

## SAMPLE SURVEY & INSTRUCTIONS

(Survey is subject to change in accordance with CDC guidelines)

Policy Notice

### COVID-19 SAFETY BRIEFING

Alternatives for Children  
Student Check-In

---

DAILY SCREENING IS REQUIRED AT THE BEGINNING OF EACH DAY

- Take your temperature or have it taken before entering.
- Answer screening questions and confirm access.

HAND WASHING IS MANDATORY

- Wash your hands often with soap and water for at least 20 seconds.
- Alternatively, use a hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

[Privacy Policy](#)

You will be presented with safety reminders regarding temperature and hand washing protocols.

Select Agree to the Above Policies and you will be brought to the next screen

This form must be completed every day prior to entry.

- No  
 Yes

### Work Plan

Where do you plan to work or visit?

Digital Signature

I hereby certify that the above questions were answered truthfully.  
Entry may be denied based on the information provided during the screening.

[Privacy Policy](#)

Select Yes or No to each question listed.

Using the drop down – select the location your child attends (Aquebogue, Dix Hills, East Setauket, Southampton)

Click on the check box certifying questions were answered truthfully

Click on submit. Select reset if you need to make corrections.

**If you responded YES to any of the questions, you will receive the message below. Do not send your child to school. Contact the school nurse during regular school hours for guidance.**

---

**STOP. Contact supervisor before entering.**

**If you respond NO to all of the questions, you will receive the following message. You may send your child to school.**

**Today's Check-In Complete**

**If you fail to remit the health survey or if you answered YES to any of the above questions, you will be contacted.**

*The best method of protecting your child, preventing the spread of disease to other children and staff is to be alert, know the symptoms and keep your child at home during the course of a contagious illness.*
