

## Independent Auditors' Report

Board of Trustees  
Alternatives for Children  
East Setauket, New York

We have audited the statement of financial position of Alternatives for Children (the "Center") as of June 30, 2011, and the related statements of activities and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Center's June 30, 2010 financial statements and, in our report dated November 18, 2010, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Alternatives for Children as of June 30, 2011 and the change in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.
